MONFERRATO DOC FREISA

COLOUR	Purple red. Vivid.
AROMA	Pervasive, light, aromatic.
FLAVOUR-TASTE	Smooth, frothy, tanding towards sweet.
FOOD PAIRING	it's a wine with personality which matches well with first courses and red or white meats.
BEST SERVED AT	20 – 22°C
	Another important, typically Piedmontese wine. Freisa is our local heritage grape wine, used by our ancestors to lend other wines with crispiness and character. Characteristic of this wine is its tendency to retain its sweetness even if it continues to ferment in the bottle, the process which determines its sparkliness. Our Freisa is produced in the best tradition.
