	<p>Malvasia is a pleasant, sweet wine. It is low in alcohol content and can be enjoyed at any time of day. Made exclusively from grapes grown in the hilltop vineyards of Casorzo and the neighbouring villages, it is the pride and prestige of the area. It has always been the star wine of all local feste (festivals). It is ideal with desserts and in fruit salads. Malvasia is a comfort wine for all seasons and reasons. The aroma is evocative of roses. Malvasia is a pleasantly rich, aromatic wine.</p>
